

FY24 Proxy Voting and Company Engagement Update

Proxy voting update

As active stewards of investor capital, we make a commitment to vote on all resolutions put forward by portfolio companies. While we may consider recommendations from proxy advisory groups to help inform our decision-making, we consider all issues on an individual basis and are not bound by any external recommendations.

Below is an update on our voting activity for the period ending 30 June 2024.

Voting examples and rationale

Votes Against Shareholder Resolutions

Our commitment to ESG integration and subsequent stewardship activities is centred on materiality. We consider all shareholder resolutions on a case-by-case basis, including those relating to ESG matters. Where we disagree with ESG related shareholder resolutions, this is reflected in our voting rationale. All shareholder resolutions that we have voted against are shown in the full proxy register. For these examples, our voting rationale is aligned with management recommendations.

Votes Against Management

Given our focus on businesses that we perceive to be among the highest quality across the globe, we regularly support proxy proposals across portfolio companies. However, where we disagree with certain resolutions or recognise room for improvement, this is reflected in our voting outcomes. This includes certain shareholder resolutions against management. Key examples of votes against management recommendations over the FY24 period include the below examples.

Company	Date	Resolution	Rationale
THE ESTÉE LAUDER COMPANIES INC.	17 Nov 2023	Advisory vote to approve executive compensation.	Poor management execution as the company has consistently missed guidance.
VISA INC.	23 Jan 2024	Shareholder proposal requesting the Board adopt a policy to seek shareholder ratification of certain termination pay arrangements.	To protect shareholders against excessive termination pay.
LVMH MOET HENNESSY LOUIS VUITTON SE	18 Apr 2024	Appointment of various directors: <ul style="list-style-type: none"> Alexandre Arnault Frederic Arnault 	Appointment adds to the Arnault's family influence on the board.

Company	Date	Resolution	Rationale
DASSAULT SYSTEMES SE	22 May 2024	<p>Compensation elements paid or granted to Mr. Bernard Charles, vice chairman and chief executive officer.</p> <p>Delegation of authority to the board to increase the share capital by issuing shares, relating to mergers by absorption, demergers, or more partial demergers.</p>	We believe the stock grants are excessive and inconsistent with a balanced approach to shareholder value and incentive-linked remuneration.
ALPHABET INC.	7 Jun 2024	Stockholder proposal regarding equal shareholder voting.	We would prefer one vote for each share, to enable equal representation for all stockholders (rather than super voting for a subset of shares).

Company research and engagement update

As part of our ongoing company monitoring and investment process, we regularly engage with management teams and their representatives. These engagements cover a broad range of topics relevant to corporate prospects and regularly include financially material ESG-related matters, to help inform our financial modelling, valuation work and assessment of a corporation's value.
